MG HECTOR 2021

The Evolved Internet SUV.

It's a human thing to Evolve!

What is it about evolution, that makes us better as humans? Our capabilities to understand, and connect better with each other. To not just listen, but also respond to each other. To help each other perform better, every time. And, the evolution that makes us better as humans also makes the new Hector, more human.

- New thermo pressed chrome front grille
- Front ventilated seats
- Dual-tone champagne and black interiors
- 45.72 cm stylish dual tone R18 alloys
- New rear tailgate garnish

MG GLOSTER

The MG GLOSTER isn't just another car; it's a car that thinks only about you. Your safety, your comfort. All the time. With its many intuitive features and personalisation options, it remembers what you like and want. It adapts and adjusts for you. When you take it for a spin, it looks out for you, doesn't let you drift away or get in a tight spot. All it thinks about is, how you drive. What's ahead of you? What could be your next move?

One could say that the GLOSTER has just one thing on its mind. You. What would you call such a car? At MG, we call it the **selfless car**.

MG ZS EV

Taking electric to a whole new dimension

#Changewhatyoucan

The New MG ZS EV with its enhanced and distinctive features is more dynamic and path-breaking than ever. It puts unparalleled comfort and convenience at the forefront while adapting to your needs and preferences every day.

- 44.5 kwh hi-tech battery
- 419 km* range in single charge
- High ground clearance of 177 mm
- 215/55 R17 machined alloy wheels
- Track your CO₂ savings
